CHQ General clinician package resources

1. Applicable to

The 'general clinician package' e-learning resources developed by Children's Health Queensland Hospital and Health Service funded by the Speech Pathology Australia Queensland Registration Board Legacy Fund Special Purpose Grant 2018 and the Children's Health Queensland Study Education Research Trust Account Education Grant 2018.

2. Requirements

- Anyone external to Queensland Health (QH) can copy, distribute and modify the QH resource provided QH is appropriately acknowledged for the original creation, but the external user cannot use the QH resource for commercial purposes.
- Others may copy, distribute and adapt the material, but only for non-commercial purposes (a commercial use is one primarily intended for commercial advantage or monetary compensation).
- The following acknowledgments and intellectual property statement **must** be included in all future copies and modifications of the resources:

Acknowledgments

This training was [developed through/modified from the original resources developed through] two projects completed by Children's Health Queensland, funded by a) Queensland Registration Board Legacy Fund Special Purpose Grant awarded by Speech Pathology Australia in 2018 and b) Children's Health Queensland Study Education Research Trust Account Education Grant 2018.
